

I. Purchasing Instructions

A. Award Description

Awarded bidders have been pre-qualified to participate in spot market purchases.

B. Quotation Directives

1) Contract Instructions (Re: ITB Paragraph 2.6)

Spot market pricing procedures may be initiated by a County department or by ISD / PMS. When spot market purchases are initiated, the pre-qualified bidders shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. Written spot market quotes will be solicited from all bidders within the pool. The bidder offering the lowest fixed price shall be awarded for the specific period or specific purchase. The award to one bidder for a specific period or individual action does not preclude the remaining pre-qualified bidders from submitting spot market offers for other specific purchases.

Price quotes shall be itemized to include equipment, and any other items identified by the County in the request for quote.

2) Cone of Silence

Pursuant to Section 2-11.1(t) of the County Code, all RFQ's are subject to the Cone of Silence. All RFQ's must be provided to the Small Business Development Division (SBD) of the Internal Services Department for placement on the Cone of Silence Report upon advertisement. Once an award recommendation is made, SBD must be notified to remove the competition from the report.

3) Current General Terms and Conditions

All RFQ's issued under this pre-qualification contract must utilize the current "General Terms and Conditions", which include the latest legislative changes. Use: <http://www.miamidade.gov/procurement/itb-terms-conditions.asp> to retrieve that latest version of the General Terms and Conditions and include the latest language in the RFQ.

4) Bid and Local Preferences (Re: ITB Paragraphs 1.10 and 2.2)

Bid Preference and Local Preference will be considered when evaluating quotes. The Bid Preference shall be applied to the offers received from certified Micro/SBE bidders. The resulting Micro/SBE bidders' evaluation prices shall then be compared to the other offers to determine if Best and Final Offers (BAFO's) need to be requested in accordance with the Local Preference legislation.

5) Emergency Purchases (Re: ITB Paragraph 2.6)

In the best interest of the County, for items either delivered by the bidder or picked-up from the bidder by authorized County personnel, the availability of the material,

geographic location, and/or delivery time may be utilized as deciding factors for the basis of an award to a bidder when it is determined by a County department that a project is time sensitive to meet pre-established deadlines or it is an emergency situation.
